\* Due to continuous efforts of management, the piled-up inventory which stood at Rs. 8.04 billion in March-2019 and Rs. 3.8 billion in March-2020, has been liquidated and now reduced to Rs. 2.08 billion in March-2021.

\*\*The increase in Equity and decrease in short term borrowings is mainly attributed to proceeds generated from right issue amounting to Rs. 2.896 billion.

## FUTURE OUTLOOK & CHALLENGES

- ❖ Macroeconomic indicators and the unfolding of COVID 19 waves are challenging for the growth of auto industry.
- ❖ The recent surge in USD/PKR parity is also a key factor in controlling the cost of production and improving profitability of the Company.
- ❖ Government spending in the infrastructure projects.
- ❖ New Auto policy – Level playing field across the Board.

# FUTURE OUTLOOK

- ❖ Over the period, the company has taken various measures to address declining profitability by increasing sales prices and controlling production overheads.
- ❖ The size of the commercial vehicle market is expected to remain under pressure unless the government fuels development projects to boost economic activities.
- ❖ The management is putting all its efforts to strike a balance between market share and profitability by introducing new variants in its product range in the near future.
