**Symbolic Tree
Plantation
Ceremony.**

This year World Environment Day was celebrated on Monday June 6th, 2011. The day began by conducting a symbolic tree plantation ceremony at Head Office lawn. This was attended by our Top management, indicating their commitment towards environment

Tree Plantation by Deputy Managing Director

Group Photograph on the occasion of Tree plantation

Trees are men's best friend. Human beings largely depend on trees. They provide oxygen, shelter, food. Moreover, its wood is used to build houses and furniture. Hence it is always advisable to plant trees.

8th
June'2011

**Tree Plantation &
Essay
competition on
Water
Conservation**

Tree plantation activity was held in S.I.T.E Model school, adopted by HPML under CSR Head. 50 trees were planted by students in and outside the school's premises. Essay competition on Water Conservation was also held among the students. Prizes were distributed to the winners.

Students were told about importance of tree plantation. By participating in essay competition, students came to know about the essential importance of water. Its usage and how vital it is for our lives.

8th June,
2011

**Presentation on
Environmental
awareness**

A presentation on importance of our Earth and what actions should we take to protect it, was given to students. It was followed by qns and answers session

Enhanced environmental awareness among students. They put their commitment on saving water on daily basis

June'2010

**Inauguration of
Free Tune up
Camps in
Karachi & up
Country.**

- Mr. Tsutomu Mori, Deputy Managing Director and Mr. Y. Nakamura, DGM – Product Support Division of Hinopak Motors Limited have inaugurated the World Environment Day – 2011 at the Head Office of Hinopak Motors Limited in Karachi on June 06, 2011.
- Approximately 164 persons were provided awareness on burning environmental issues, useful tips for vehicles maintenance to end user and awareness to Hinopak employees.
- In the end, 164 Vehicles were tuned up country wide and many customers received awareness on importance of Environment conservation issues through these Free tunes up camps.

Trees are men's best friend. Human beings largely depend on trees. They provide oxygen, shelter, food. Moreover, its wood is used to build houses and furniture. This message has been conveyed to Transportation drivers and also to customer. Its beneficial to our country as well as for our environment.

<p>24th June'2011</p>	<p>Beach Cleaning & Mangrove Plantation activity.</p>	<p>On June 24, 2011 HPML staff and their Children (Approx 40 Employees & 60 Children's) went for cleaning and tree plantation At Sandspit Beach in collaboration with WWF.</p> <p>Movie on 'Turtle Watch' and presentation on 'Mangrove Trees' were also showed to participants The cleaning activity was concluded at 10.30AM with the removal of 40 bags of garbage (Approx 400 kg) which dumped at CDGK.</p> <div data-bbox="560 413 1408 699" data-label="Image"> </div> <div data-bbox="604 801 1364 1370" data-label="Image"> </div>	<p>Beach cleaning and plantation event was full of excitement and the participants got the awareness.
